

# NEW FUSION MOVEMENT HEADING TOWARD THE ROCKS

## ALLIES PLAN MEASURES TO FORCE GERMANY TO YIELD

Hope For Survival of The Third Party is Now At Ebb-Tide And Convention Drags

PLATFORM MUST SUIT SENATOR LAFOLLETTE

Evidence of Breaking Up Of Movement Grows As Failure To Agree Upon The Platform Develops.

LaFollette Says Provisions Must Comply With His Wishes.

(By Associated Press.)

Chicago, July 14.—Hopes for the survival of the new fusion party were at ebb-tide as the all night conferences of the new party's resolutions committee dragged along today in an effort to get together on a platform acceptable to Senator LaFollette.

The extreme group which yesterday controlled the amalgamation and forced its platform desires on the more conservative element struck a snag when it met the veto power of the probable presidential nominee of the new party.

The first evidence of a possible breaking up of the new party movement followed last night's session when the single taxers withdrew, adopted their one plank platform and nominated a presidential candidate.

For president they chose Robert C. MacCullough of Philadelphia, and for vice president they selected R. E. Barnum of Cleveland.

### SAYS PLATFORM MUST SUIT HIM

(By Associated Press)

Milwaukee, Wis., July 14.—Senator LaFollette sent a message to the new party convention last night expressing his willingness to head its presidential ticket, according to a statement made by the Senator to a correspondent of the Milwaukee Sentinel. He intimated very strongly, however, the platform must measure up to his wishes before he would give his unqualified consent to carry the party's standard.

### THIRD VERSION OF PLATFORM BEING TYPED

(By Associated Press)

Chicago, July 14.—Little progress was made by the new fusion party during the first two hours of its convention today and an undercurrent of dissatisfaction was in evidence throughout the meeting.

It once more required the pleas of the meeters and constant conferences to keep open breaks from cropping out.

At 11:45 a. m. the platform conference ordered the typing of a third version of a fusion party platform and sent word to the convention it would report at 2:00 p. m. The convention adjourned until that time.

### BARREL DIVER LOSES LIFE IN NIAGARA FALLS

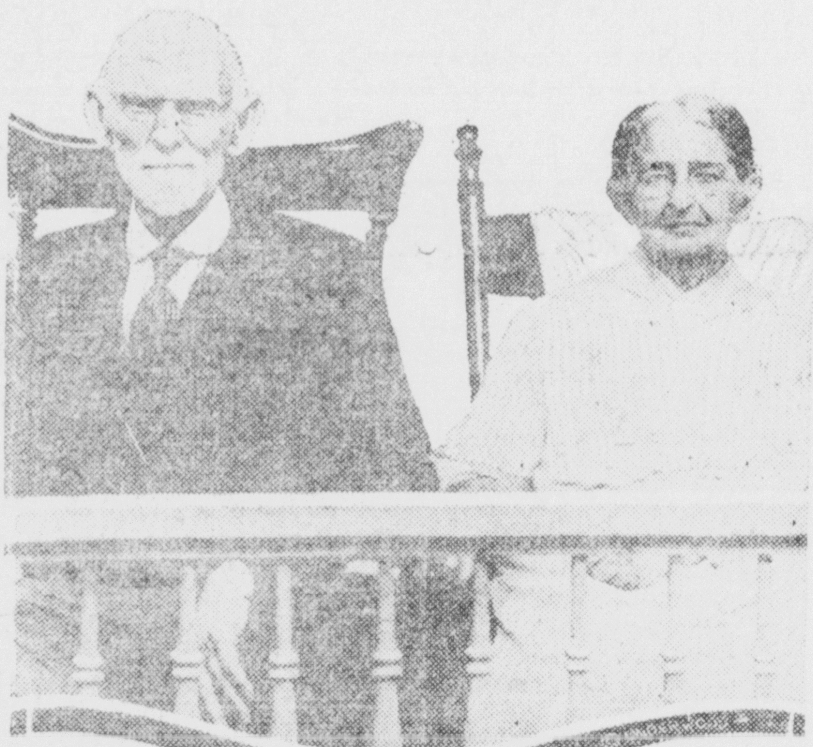

Barrel in which Stephens went over Niagara Falls.

Charles G. Stephens of Bristol, England, hoped to win fame by going over Niagara Falls in a barrel and then win a fortune on

the lecture platform. His plans went wrong. He went over the falls last Sunday in the barrel shown in the picture, but did not

live to tell the story. He leaves a widow and eleven children. Stephens was a barber, fifty-eight years old.

### GOVERNOR COX'S FATHER LIVES TO SEE OLD AMBITION REALIZED

Mr. and Mrs. Gilbert Cox.

A lifelong ambition of Gilbert Cox of Camden, Ohio, has been to live to see his son "Jimmie" nominated for the presidency. Today James M. Cox is the Democratic nominee. Governor Cox's mother is not living. The woman in the photo is his step-mother.

### BOOZE RUNNERS ARE ARRESTED IN CLEVELAND

Women Made Daily Trips Carrying Suitcases Filled With Liquor.

(By Associated Press)

Cleveland, O., July 14.—A well organized whiskey running campaign with regularly scheduled liquor smuggling trips was nipped by police this morning when vice squad officers arrested three women and five men at a railroad station and confiscated 52 quarts of liquor.

The liquor was contained in suitcases found in possession of the women and which police say they brought to Cleveland from Pittsburgh. The women are said to have made scores of trips on a daily schedule before the police interrupted the traffic.

### FROM NEW YORK

(By Associated Press)

New York, July 14.—Demand for reservations on the special train which will carry New Yorkers to the Harding notification ceremonies at Marion, July 22, has been so heavy a second section will be made up to accommodate the delegations. The train will arrive at Marion at 7:30 on the morning of the notification.

### HOSPITAL STOLEN FEW BOARDS LEFT

Connellsville, Pa., July 14.—(Associated Press)—With an outbreak of smallpox here yesterday the authorities were called upon to face a perplexing problem.

The municipal hospital located on Mt. Pleasant Road, a half mile away, where the patients were to be quarantined, had been stolen and as a result the many victims of the disease are being quarantined in camps.

When the authorities arrived at the spot where the hospital was located it was found that all that remained of the building was about fifteen boards.

### VETERANS PLEDGE SUPPORT TO GOV'T

(By Associated Press)

Birmingham, Ala., July 13.—Resolutions calling for the exclusion of Orientals, presented by the California delegation, was voted down today at the first reunion of the Rainbow Division Association.

The veterans pledged support to the government in combatting bolshevism approved a proposal that both capital and labor be drafted in the event of another war and went on record as opposing suffrage for the citizens of the District of Columbia.

### F. D. ROOSEVELT SAYS HARDING HOLDS GRUDGE

Democratic Vice - Presidential Nominee Answers Charges Of Harding.

Declares Most of Opposition To League is Against Wilson

(By Associated Press)

Hyde Park, N. Y., July 14.—Franklin D. Roosevelt, replying at his home here today to the charge of Senator Harding that President Wilson had forced the democratic presidential and vice presidential nominees to accept his views that the league of nations should become the dominant campaign issue, declared he was "quite willing, as I know Governor Cox is, to let the American people decide whether they will go back to the conditions of 1914 or whether they will join with civilization and humanity in this great step forward."

"The attempt by Senator Harding yesterday," he said, "to begot the true league of nations issue by striking at the name of President Wilson, is further evidence of the historical fact that a certain type of senatorial mind cares more about squaring an ancient grudge against an individual than it does to consider the true welfare of the nation. It is, of course, well known that seven-eighths of the opposition of these senators is not to the league of nations, but to the person of the President of the United States himself."

### FARM BUREAU CO-OPERATION IS ENDORSED

(By Associated Press)

Columbus, O., July 14.—The executive board of the Ohio Farm Bureau Federation meeting here today endorsed the program of the co-operative service company which is seeking to establish companies in each county for co-operative buying of farm implements and supplies at co-operative selling agencies.

### WOMEN TO CONFER

Columbus, July 13.—A deputation of the National Woman's Party will confer with Governor Cox at 6 o'clock Friday afternoon prior to his departure for Washington where he will confer with President Wilson Sunday.

Woman's Party leaders announced that a similar deputation from their organization is expected to be received by Senator Harding in Marion, July 22.

### HARDING CHARGE DRAWS RESPONSE FROM GOVERNOR

Cox To Dedicate Campaign To 'Bringing Peace With Honor'

Charges Harding Out of Touch With Progressive Thought

(By Associated Press.)

Columbus, O., July 14.—Charging that Senator Harding, the republican presidential nominee, had made his "front porch a listening post" Governor Cox, the democratic nominee, today issued a statement replying to Senator Harding's statement of yesterday that the Wilson administration had settled the league of nations upon him as the chief campaign issue.

Governor Cox's statement said his campaign will be dedicated to the task of "bringing peace with honor; of readjusting the affairs of civilization and of creating a new day out of which we will make the best of the lessons of the past."

The Governor declared the thing Senator Harding believed vital and pertinent "from his isolated perspective, will not in all probability be so regarded by me."

The Governor's statement follows in part:

"Senator Harding has made two definite announcements that he proposes to hark back to the days of 20 years ago and that he will make of his front porch a listening post. This means that he will be as far removed from the winning current of progressive thought as the senatorial activities of Lodge and Penrose and Smoot has been removed from the heartbeats of the American people for a year or more."

"Senator Harding's last statement is but a reiteration of what has been said in the Senate time after time so that if this campaign on the one hand develops into mere morning sessions of the Senate, you will very readily perceive the uselessness of daily response."

### BOYS DROWN IN RESERVOIR

(Special to The Herald)

Wilmington, O., July 14.—William, aged 8 years, and Stanley, aged 7 years, sons of Uriah Thompson, of Westboro, were drowned in the creek at the B. & O. reservoir here late yesterday evening.

The boys had entered the water for a swim and got beyond their depth. The father found one of the bodies and carried it home. A neighbor located the other lad's body.

### NO WITNESSES ARE NECESSARY

(By Associated Press)

Washington, July 14.—Witnesses of the indorsement of pension checks will not be required in the future, except where pensioners sign by mark, according to an announcement by the pension bureau.

Four times a year, the 700,000 pensioners now on the government rolls have been required to have two persons sign up the checks as witnesses of the indorsement, a proceeding that required the quarterly collection of more than 6,000,000 signatures.

Decision to modify the requirement was made by Secretary Payne of the Interior Department, after conference with officers of the Pension Bureau, the announced purpose being to obviate trouble and annoyance to bankers cashing the checks, as well as the pensioners.

### LEADER IN THIRD PARTY MOVEMENT

J. A. H. Hopkins.

J. A. H. Hopkins of New Jersey, chairman of the Committee of 48, is a prominent figure in the third party movement, now crystallizing at Chicago. He was a leading figure in the Progressive party from the time of its organization in 1912 until it passed out of existence.

### HARDING SAYS RESPONSE IS NOT NECESSARY

Will Not Answer Statement Issued by Governor Cox On Wednesday.

(By Associated Press)

Marion, O., July 14.—Senator Harding was shown a copy of Governor Cox's statement issued today in which reference was made to the senator's plan for a front porch campaign that he saw nothing in the statement "that justified any response."

He also said it was useless to enter into a "wire debate" with the democratic nominee.

"Some day I will deliver myself of an address in which I will give my views as to the desirability and intimacy of a front porch campaign," Senator Harding said.

After devoting the forenoon to his speech Senator Harding conferred with A. P. Moore, publisher of the Pittsburg (Pa.) Leader who declared he thought the nomination of Governor Cox as the democratic presidential candidate assured the republican candidate's election.

He also said he feared no ill effects from the formation of a third party, declaring in his opinion its strength would be drawn chiefly from supporters of President Wilson.

### CONTINUES WORK ON HIS SPEECH

(By Associated Press)

Marion, O., July 14.—For the second day in succession Senator Harding today secluded himself from visitors and continued the writing of his speech of acceptance.

In order that he can give his complete attention to it no engagements are being scheduled for the next few days for the republican nominee.

Field Marshals Hurry To Spa To Discuss Military Plans To Enforce Demands.

GERMAN DELEGATES EXPRESS REGRETS

Another Proposal is Expected From The Germans During The Day.

Both Sides Remain Firm On Contentions Growing Out Of Coal Delivery Dispute.

(By Associated Press.)

Spa, Belgium, July 14.—Field Marshal Wilson, of Great Britain, who was summoned here yesterday by the Supreme Allied Council after the German delegates engaged in the conference here had rejected the allied solution of the coal delivery problem, is expected to arrive here tonight.

He is expected to confer immediately with Marshal Foch of France who already has arrived and is with the allied premiers.

In some quarters there is expectation that the Germans will make a fresh offer during the day.

No disposition was shown by Chancellor Fehrenbach and Foreign Minister Simons, this morning, to yield to the allies on the coal deliveries.

"The German delegations regret that the conference may be dissolved without further agreement," said Dr. Simons, "but we have done as much as we could and await the action of the allies."

The allied ministers appear equally firm in their decision that Germany shall deliver 2,000,000 tons of coal monthly.

### TELLS GERMAN NOT BLUFFING

(By Associated Press)

Spa, Belgium, July 14.—Premier Lloyd George received Dr. Walter Simons, the German Foreign Minister, at the latter's request this afternoon and told him emphatically the allies were not bluffing.

The allies, Mr. Lloyd George declared, intended seriously to take measures for enforcement of execution of the Versailles treaty unless the Germans meet the allies' modified terms regarding coal.

### HOLD SERIES OF MEETINGS

(By Associated Press)

Spa, Belgium, July 14.—In an effort to compose the differences between the Germans and the allies over the question of coal deliveries and prevent a break up of the conferences here a series of informal conferences was arranged early this afternoon.

### BOYS DROWN

(By Associated Press)

Tiffin, O., July 13.—Harold P. Brown 12, son of Louis Brown and Karl Kastner, 13, son of Mrs. Laura D. V. Kastner, were drowned in the Sandusky river here this afternoon when their canoe overturned.

# ORNAMENTAL TRAFFIC POSTS ARE ASSURED

City Solicitor Troy T. Junk advised City Service Director Tracey Tuesday that the city has the legal authority to erect permanent and ornamental safety zone posts.

Since the last session of City Council Tuesday a week ago, the matter has been suspended, awaiting the opinion of Solicitor Junk, to whom the matter was referred when no definite conclusion could be reached by Council on the question as to whether the posts would or would not be classed as an obstruction forbidden by law.

In this last session of City Council City Service Director Tracey presented petitions from the three women's organizations, the Cecilians, the Browning Club, and the Women's Relief Corps, asking the erection of the ornamental safety zone posts.

It was found that the majority of council favored the erection of such posts at the three chief traffic centers of Court street, Main street, Fayette and North Street intersections, and council instructed Solicitor Junk to report to Director Tracey his opinion and that if it was determined legal Director Tracey was to carry out the instructions of Council and order the safety zone posts.

Immediately upon receiving the advice of Solicitor Junk, Tuesday, Director Tracey placed the orders for the posts according to instructions received on the evening of July 6th.

The three posts are to be erected

on the Court street intersections and it is understood that they are to be kept lighted after night so that the city will not be liable. They are to be permanent and ornamental in design.

## JUNIOR CHAUTAUQUA ATTRACTS KIDDIES

Under the direction of Miss Byrd of Ohio State University, who has charge of the Junior Chautauqua this week in connection with the regular program, the juvenile department of the week's entertainment is one of the features of the Colt-Alber service and the Junior Chautauquales are having the time of their lives.

Every morning at nine o'clock the children meet in the big tent on the Chautauqua grounds and are entertained for more than an hour by Miss Byrd, who has been the instigator of an endless number of stunts and whose genial personality has attracted the kiddies from all over the city.

Wednesday was the Junior Chautauqua Junior Hour and Thursday morning the children will be put through the final rehearsal of their play, "Mother Goose and Party" which will form a part of the program Thursday afternoon.

## WILL LAY FIRST ASPHALT THURSDAY

Announcement was made by officials of the Andrews Asphalt Paving Company Wednesday morning that they would start "rolling" asphalt on Thursday. Plans have been changed and instead of placing the first asphalt on the up-town sections of the city

## CHICAGO RECALLS CANDIDATE'S WIFE AS CHARMING GIRL

Mrs. James M. Cox.

Chicago society has not forgotten the beauty and charm of Mrs. James M. Cox from the days when as a child she romped about the garden paths of Cherry farm and tore along the country roads near Elmhurst, one of Chicago's exclusive suburbs, on her black pony. Chicago folks remember her, too, as a golf enthusiast and tennis champion, "an all around girl, Margaretta," they said.

streets South North street from the plant at the B. & O. railroad tracks to East street will receive the first application.

The reason for laying asphalt on this stretch of street first is that an outlet from the plant over a good hauling surface must be provided and with the square between the tracks and East street completed access to the up-town district will be easily gained.

Sweepers were busy Wednesday preparing the squares marked off for first paving and it was being made spotlessly clean for the asphalt mixture.

## FORMER RESIDENT DIES IN AKRON

Mr. Isaac Johnson formerly of South North street this city, passed away Tuesday afternoon at 3:35 o'clock at the home of his son Mr. Elmer Johnson in Akron, after a long illness following paralysis.

Mr. Johnson was well known in this city, where he and his family, the wife, son Elmer and daughter Mrs. Charles Lawton (Bess Johnson) of Cleveland have a host of friends, who are regretting to learn of his death.

## ROYAL AIR MAN WILL FLY HERE

W. C. Lambert, aviator, and formerly a member of the Royal Air Forces notified The Herald Wednesday afternoon that he would arrive in this city Thursday morning from London, with one or both of his planes and will land on the Wilson field south of this city where he will be stationed to carry passengers and take care of any commercial business.

## POPULAR THEATER BEING CONSIDERED

Paris, (By Mail)—A "popular theater" where plays and operas will be given under government direction has been definitely agreed upon by the Chamber of Deputies and it is believed by its supporters that the Senate will agree. The plan has long been contemplated.

A temporary appropriation of 100,000 francs was voted to start the new theater in the Trocadero Palace and the Comedie Francaise subsidy of 250,000 francs was doubled to enable it to present plays there.

Plays will be given nightly with two matinees at the Trocadero which seats 5,000.

A feature of the plan is the decision to make it a producing playhouse for the government conservatory for the training of actors and musicians.

**HOW TO PRAY:**—But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly. For your Father knoweth what things ye have need of, before ye ask him.—Matthew 6: 6 and 8.

## "WIDOW" LEARNS HUSBAND SAFE

Peking, (By Mail)—A letter has been received from a man reported killed in the Russo-Japanese war in North Manchuria by his supposed widow, who has been married to a second husband for nearly ten years.

A sergeant named Jinkichi Onishi has been missing since the battle of Liaoyang. The authorities as well as the family of the soldier concluded that he had been killed in the field, and funeral services were observed. His "widow" subsequently married again, two children being born to the second husband. Now, nearly 17 years since the "death" of her first husband was reported, he writes reporting himself safe in a hospital in Petrograd.

According to his letter, at the time of the Russo-Japanese war, he was taken prisoner and has ever since been imprisoned in a dungeon, which he was never allowed to leave until after 17 years confinement, he fell ill and was removed to a hospital in Petrograd.

## ENDOWS BRANCH OF U. S. HISTORY

London, (By Mail)—Viscount Rothermere has given the University of Oxford 20,000 pounds for the establishment and endowment of a professorship of history of the United States of America, which will be known as the Harold Vyvyan Harmsworth Professorship of American history, in memory of his son, Captain Harold Vyvyan Harmsworth, of the Irish Guards, formerly a commoner of Christ Church, who was killed in the war.

Under the conditions of the endowment the holder of the professorship must at the time of his election be a citizen of the United States. He shall hold the professorship for 10 years, and shall be eligible for appointment for another ten years.

The appointment shall be made by an electoral board consisting of the American ambassador at the time of the election, who shall have a cast-

ing vote, the chancellor of the university, an elector nominated by the university, and Lord Rothermere and each succeeding holder of the Viscounty.

Lord Rothermere has endowed two other professorships at English universities. In 1910 he gave 20,000 pounds to Cambridge university for the foundation of the King Edward VII Chair of English Literature, and in 1918 he gave a similar sum to Cambridge as an endowment fund for the Vere Harmsworth Professorship of Naval History in memory of his second son, who was killed in the battle of the Ancre.

## RETURNS CHURCHES TO CONGREGATIONS

Mexico City, (By Mail)—A number of churches in Guadalajara, taken over by the government in 1915 and withheld from the Catholic clergy since that time under the provisions of the constitution, have been returned to their congregations by order of President de la Huerta. According to El Herald de Mexico, the return of the Guadalajara churches is the first step in the president's program to turn back all churches throughout Mexico which have been closed by governmental order. The closed-church issue has been a vibrant one for years in Guadalajara, a notably religious city.

## Drawing Aside The Curtain

The action of the State Department in partially removing the restrictions on trade with Soviet Russia is of interest, of course, to us all. Primarily it is of interest to those who have promise of profit in materials secured from Russia and in the sale of manufactured products to the Russians. Their interest, of course, is direct and substantial.

The majority of people, while having no such direct interest, are nevertheless awaiting, with great anticipation, the drawing back of the curtain which, ever since the collapse of the Kerensky regime has hid Russia from the world.

We have all heard and read a great deal of what is going on in Russia. Much of the more startling "news" when coming out of Russia, inspired by Bolshevik leaders or having its roots in this or other countries we have, for some time past, come to consider as principally propaganda—fiction rather than fact—published for a purpose.

The journeys of the knights of the grip through Russia will be wonderful fact-gathering agencies. We may expect to hear from them, upon their return, entirely different tales regarding conditions in Russia.

It seems unreasonable, when we consider the length of time Lenine and his associates have held the scepter of power in Russia, that affairs behind the curtain are as deplorable as they have been pictured. Neither is it reasonable to suppose that the millenium has come in Russia as Bolshevik headquarters news indicates.

We are all curious, especially as to conditions which have been concealed from our inquiring gaze. Russia has been dark in fact, so far as the world is concerned, for a long time. The policy of the allied nations has been a series of mysterious and inexplicable contradictions. Of published articles we have had an abundance, but of first hand facts there has been a famine.

What will we see and learn when the great curtain rolls back and the light of this inquiring old world shines in?

There will be interesting reading when the knights of the grip return, whether it is contradictory or confirmatory of the "news" we have had during the past three years.

## The Car Shortage

As the menace of a coal famine approaches nearer with the passing of the summer weather, people are beginning to rouse themselves and to inquire into and speculate about the alleged car shortage, which is advanced as the main cause for failure to supply coal to the consumers notwithstanding the inexhaustible supply which nature has furnished for our use.

It is being suggested openly that there is some juggling of cars by the railroad companies, that the car shortage, now at crop moving time and coal shipping time, is brought about by the railroad companies to force a higher fare and rate schedule.

Railroad employees are, unconsciously perhaps, assisting in the consummation of such a conspiracy if one exists by demanding a wage scale beyond the financial ability of the companies to meet.

In any event, be the suspicions well founded or not, it surely is possible for our elaborately constituted and costly governmental agencies to, at once, institute an investigation free from politics and disclose the real trouble and take the cloak of deceit off of the guilty.

Let's get at this matter right. There is not a minute to waste. Our crops are almost ready for the market and our coal bins, both in private homes and industrial plants, are yawning cavities of emptiness.

There is time now to get matters straightened out and prevent widespread disaster, but not a minute to waste.

## POETRY FOR TODAY

EARTH HIDES HER SCARS  
Earth hides her scars with beauty after time,  
And gentle flowers bloom where war was red;  
There is a recompense for every crime,  
For every act that Beauty bows her head.  
The strong have crushed the weak in every age,  
Hatred and envy smite the trusting heart;  
Yet can remember Beauty still assuage  
These wounds and loveliness still stand apart.

Hold fast to Beauty. There is one fixed star,  
One shining thread in all the tangled skein  
With which we fumble. Though the way be far,  
The world will find her splendid dream again.  
Pain and defeat? These from Time's fingers  
Carelessly fall and only Beauty lingers.

## DECLARES WILSON FORCED HIS VIEMS ON CANDIDATES

(By Associated Press)  
Marion, Ohio, July 13.—Senator Harding charged in a statement to-night that President Wilson had forced the Democratic presidential and vice presidential nominees to accept his view that the league of nations should become the dominant campaign issue.

The President's on concern, the Senator said, is the "vindication of his foreign policy," and he insists upon "his issue regardless of costs or consequences."

"The Republican Party and candidates gladly accept the challenge," the statement said.

## OPEN TOP COAL CAR ORDER EXTENDED

(By Associated Press.)  
Washington, July 13.—Extension for thirty days of the order giving preferential distribution of open top cars to coal mines east of the Mississippi was ordered today by the Inter State Commerce Commission in an effort to solve the coal transportation problem. The original order would have expired July 21.

Threefold amendment of the order also was made by the commission, which in a letter to Daniel Willard, chairman of the advisory committee of the Association of Railway Executives suggested that the carriers prohibit more than one reconignment of cars loaded with coal.

## IMPROVE FLOCKS

The large number of well-bred flocks of poultry and the skillful methods used in improving them are becoming more and more evident with the development of the "better sires—better stock" campaign. One southern poultry farm, recently enrolled has 2000 cocks and 950 hens, all standard bred, single-comb White Leghorns. In addition, they are line bred for high egg production and the flock has been trap nested for 24 years. The owner states that in addition the fowls are of good exhibit type.

Near Pancake chapel in Madison county a hail storm recently literally stripped hundreds of acres of corn of its leaves and the owners fear the plants have been damaged so that their crop will be ruined.

# BILLIARDS FOR BRAIN FAG

Do you know that all championship billiard and pocket billiard games are played on a 5 by 10 foot table, and there is not a one in Washington C. H.?

And that the table you find in the average pool room is a commercial table 4 by 8 ft., with the pocket cut wide so that the balls drop in faster.

THE CLUB has the most modern equipment in this town. Our tables are all 4½ by 9 ft.

We have the only set of ELEPHANT TUSK ivory balls for our billiard table in use in Washington C. H.

We do not tolerate rowdyism and cater only to the best trade. We have the cleanest billiard parlor, the coolest and the most comfortable in Fayette county.

We have an up-to-date barber shop in connection, and our line of cigars is the best on the market.

It's G. O. P. gasoline, because it has the Grand Old Pep that puts life and ambition in the most sluggish cars.

After you've used a tankful of Columbus you'll approve every plank in its platform—the quick start, the fast getaway, the power on hills and in heavy going, the unusually big mileages per gallon.

# RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Miss Edith Worthington is entertaining with a dance at the Oak Lawn pavilion, Friday night, honoring her guests Miss Evelyn Tonsley of Cleveland and Miss Helen Shurtleff, of Menomonee, Illinois.

Mrs. Earl Barnett and Miss Myrtle McCoy gave a luncheon of dainty appointments, Tuesday, at the McCoy cottage at Cedar Hurst, complimentary to Mrs. William Vails, of Niles, Ohio, who is visiting her mother, Mrs. W. B. Hershey.

Yellow wild flowers artistically arranged in a basket formed an exquisite centerpiece, and the yellow color scheme prevailed in the menu.

Seated with the hostesses and honor guest were: Mesdames Clarence N. Baer, Grant Coffman, W. B. Hershey, A. E. McCoy, Roy T. McClure, M. E. Hitchcock, Ed Fite, Walter D. Craig, Clarence Craig, Misses Louise Baer and Mary Craig and Mrs. Allie James of New York City.

Celebrating the thirty-fourth wedding anniversary of Mr. and Mrs. W. A. Wright, Sunday, Mr. and Mrs. Thomas Wright and little daughter Sarah Francis entertained twenty-five friends and neighbors.

It was in the nature of a surprise to the honor guests, who arose to the occasion, and responded to the happy greetings and best wishes extended by the guests.

A basket dinner was served at noon. Mrs. Wright was assisted by her mother Mrs. D. W. Smith, and Mrs. Jennie Williams of Staunton in entertaining.

Those present were: Mr. and Mrs. Roy Wright of London daughters Hazel, Jane, son Dorman and Mr. and Mrs. Jack Miller, son Kenneth Roger Lee and daughter Doris of London, Mr. and Mrs. Ira Hixon and grand son Troy Miller of Cooks, O., Miss Laura Wright of Columbus; Mr. and Mrs. D. W. Smith and son Orville of Staunton Ohio and Mr. and Mrs. W. A. Wright daughter Ruth, son Raymond.

Complimenting Mrs. Sidney Knight, of Columbus, and Miss Mayme Frisbie of New Albany, Ind., Mrs. S. E. Boggs gave a Bridge-luncheon of elaborate

decoration and much beauty of appointment Tuesday.

Covers were laid for ten and the table was a picture, with exquisite center basket of pink snap dragons, carnations and gypsophylla and pink candles burning in crystal candlesticks, linked with garlands of smilax. The place cards were prettily designed to carry out the pink color scheme.

Mrs. Henry Renick, of Chillicothe, Mrs. William W. Westerfield, of New Orleans, La., and Mrs. Fuller Hess, of Columbus, were additional out of town guests.

Miss Cora Boggs assisted in the cordial hospitalities.

Mrs. Robert Howat extended hospitality to twenty women at a beautiful porch party in honor of Mrs. Herbert B. Maynard, of Waterloo, Iowa, Tuesday afternoon. It was chiefly a gathering of old friends and neighbors of the honor guest and particularly delightful in its congeniality and social feature. The immense veranda, decorated with a profusion of garden flowers, and overlooking the beautiful lawn, also abloom with the flowers of midsummer, provided ideal setting.

Mrs. Howat was assisted by her daughter, Miss Jean Miss Helen Maynard, of Waterloo and Miss Valeria Armstrong. A delectable summer collation was served as the evening shadows lengthened and still the guests lingered, loathe to break up so pleasurable a gathering.

Mrs. Ella Kiney, of Cleveland, who has been visiting her sister, Mrs. Harry Sollars, was taken suddenly ill, Tuesday afternoon and rushed to Mt. Carmel Hospital, Columbus, where she underwent an operation, Wednesday. Mrs. Katie Vaughn of Little Rock Ark., also a sister, who was visiting at the Sollars home, accompanied Mrs. Kiney to Columbus.

Mr. and Mrs. Walter Tyrrell, Mr. and Mrs. Charles Harshman, Miss Louise Poff and Mr. Leslie Sawyer, of Eaton were guests of friends in this city, Tuesday, enroute to Cincinnati from a motoring trip to Newark.

Messrs. C. S. Haver, Roy A. Tharp and M. W. Claggen left Wednesday

for Cleveland going by boat to Detroit, where they will spend a couple of days.

Mrs. John Combs and son Loren are visiting relatives in Middletown.

Mr. Herbert Preston who since the close of the University of Wisconsin, Madison, Wis., has been visiting friends at Chicago and other lake points, arrived Tuesday night to visit his parents, Rev. and Mrs. Kearns-Preston in Bloomington until Monday.

Mrs. Jane Eyre has returned from Chillicothe, where she was the guest of her son Mr. Joseph Eyre and family.

Mr. and Mrs. David Sutherland returned Tuesday evening from a ten days motoring trip to Detroit, Niagara Falls and Buffalo, N. Y. They made the trip from Detroit to Niagara through Canada.

Miss Mary Fisher of Sabina is spending a few days with her grand parents, Mr. and Mrs. C. A. Stafford.

Thomas Rogers, of Wilmington is visiting Misses Gertrude and Edith Gardner.

Miss Edith Worthington returned Tuesday afternoon from Cleveland, where she was the guest of Miss Evelyn Tonsley a classmate at the University of Wisconsin. Miss Tonsley and Miss Helen Shurtleff of Menomonee, Ill., another school friend accompanied Miss Worthington home to be her guests.

Mr. and Mrs. Robert Rodgers, (nee Mary Holdern) of the Rock Bridge road, are receiving congratulations upon the birth of a daughter Monday night.

Mrs. Verne Cook, of the White Pike spent Wednesday in Columbus with Miss Elva Cook, who is recovering from an operation at the Mt. Carmel Hospital.

Mrs. Frank C. Parrett, Mrs. Ellis Daugherty, Mrs. L. G. Spragg and Mrs. Albert S. Glascock, of Cincinnati, motored to Chillicothe Wednesday to be the guests of Mrs. Otto Tritschler.

Mr. James Logan, of Waverly, was a business visitor here Tuesday.

Mr. H. D. Rodgers, of Good Hope, was a business visitor in Columbus Tuesday.

Hon. and Mrs. T. W. Marchant spent Wednesday the guest of relatives in Sabina.

Mrs. Ralph Allen is spending a few days with her grand mother, Mrs. Mary Stafford, and uncle, Mr. J. E. Hare on the Leesburg pike.

Dr. and Mrs. P. M. Cook and children moved Tuesday from Hinde street to Blair avenue.

Miss Alma Crone who underwent an operation at the Fayette Hospital several days ago and has been in a very serious condition, is improving nicely and is now able to see her friends.

Mr. and Mrs. Earl Noble, of Ft. Wayne, Ind. expect to be at their home in Millwood, Saturday.

Mr. and Mrs. Clifford Peddicord and Miss Prudence Culhan motored to Columbus, Wednesday.

## DEATH CLAIMS ONE OF OLDEST RESIDENTS

Mrs. William Gibson, one of Fayette County's oldest and highly respected citizens, passed quietly into the eternal realms Tuesday about midnight at the home of her daughter, Mrs. Miller Mintern, on South Main street.

Mrs. Gibson had reached the age of 84 years, the last year of her life suffering from a complication of diseases. Since February her health has been failing rapidly and for two weeks she was in the Fayette Hospital, but medical skill and good nursing were alike unable to bring back vitality to the frail body.

Mrs. Gibson was born and raised in Bloomington, her maiden name Pinkerton, but following her marriage made her home in this city. Next to her deepest interest her home and her family, Mrs. Gibson cared for her church and as long as health permitted was regular in her attendance at the First Presbyterian services.

Of nine children born to Mr. and Mrs. Gibson five survive. Mrs. Mintern, Joseph Gibson, Rockford, Ill., Walter, of Norwood, Roy, of Pittsburg and Mrs. Lena Cowman, of Greenfield, the latter with her mother at the end.

## PROMOTOR CHANGES THE DATE OF MATCH

In view of fact that the Bowser-Hillier bout has been indefinitely postponed Bill Brooks, who has matched two wrestlers for the 27th has changed the date for his bouts to Tuesday evening, July 20th.

The show is to be put on in the Armory on Court Street which has become available since the postponement of the first match planned by Jack Smith.

In addition to the finish wrestling match between John Fisher of Akron and the Turk, Hossouff Hassan, there will be six rounds of lively boxing between Russell Burden of Wilmington and Harry Carmichael of this city. Both boys weigh about 145 and what promises to be some fast action will probably result.

The wrestlers weights are about the same. Fisher making about 180 and the Turk coming in at about 175. Will E. Palmer has been secured to referee the matches.

## MAKE PLANS FOR Y. W. C. A. CAMP

High school girls desiring to go to camp are requested to register at the Y. W. C. A. by Friday noon. A meeting of this group of campers is called for Friday at 2:30 at the Y. W. C. A. All expecting to go are urged to be present, as some special camp plans will be outlined and instruction given concerning equipment. Girls are urged to register as early as possible, so that the directors can make their plans accordingly and have every thing in readiness. Those who can not come to the office before Friday afternoon are asked to at least phone and leave their names.

Business girls—any girls interested in a week end at camp, this coming week end is open for you. Time and program will be arranged to suit the convenience of those coming. This is a good chance to try out the camp and see if you want a longer stay. Registration should be in by Friday.

## WHEAT THRESHING NEAR IN FAYETTE

With the completion of wheat cutting the only thing lacking to insure opening of the threshing season is a little bright weather, and if the first wheat is not threshed Friday or Saturday of this week and the weather permits, then it may be looked for Monday of the coming week.

Local elevators are preparing to dry the early threshed wheat and have everything in readiness for the first offering.

## AND The Latest Achievement

Our one aim has been to devise and perfect a positive working automatic opening and closing gate. After twelve years of experimental and development work this achievement has been accomplished.

The Guth Automatic Folding Gate, planned by the best of engineering brains, constructed from the highest grade iron and steel, is now ready for service. Attractive in design and embodying long service regardless of conditions. The last link in the chain of farm efficiency. Labor saving devices have been perfected for practically every operation on the farm except the annoying, time-killing "lift and carry" method of opening or closing an entrance to that farm.

The Guth Gate operates simply, easily and always by a slight pressure on the hand-trip or wheel-trip at the road side. It rises perpendicularly and folds into a six inch space. Either type of gate may be operated from the seat of any vehicle.

Every pound of steel is tested for strength—every working part is carefully machined to give smoothness of action. Authorities on engineering construction pronounce this new Guth Gate a marvel of mechanical ingenuity. A United States Commissioner of Patents has called it "The Acme of the Mechanic's Art."

An absolute departure from the so-called "patent gates" and backed by a guarantee for ten years of service. Local dealers fulfill this guarantee to the letter and YOU WILL FIND THE SAME QUALITY OF SERVICE IN EVERY WAY FROM THE GATE ITSELF, THE DEALER, AND FROM THE MANUFACTURER, THAT YOU WOULD EXPECT IN THE PURCHASE OF THE FINEST AUTOMOBILE.

Officials of the company who have had long and successful experience in steel and gate manufacturing include:

M. B. Armstrong President National Association Sheet Metal Mfrs.; Pres. Thomas & Armstrong Co., London, Ohio.  
F. A. Guth President The Automatic Pivot Gate Co., Manufacturer and Production Engineer.  
Arthur J. Lamon Vice-President The Rahn-Lamon Co., Cincinnati, Ohio, machinery manufacturers.  
Recently assisted in equipping the Brazilian Army.

The Guth Gate is now in use in every part of the United States and from the snow country of the north to Central America—by farm and ranch owners, schools, parks, monasteries, factories, mines, government Experiment Stations.

### PAINT CREEK HAD A PECULIAR NAME IN THE EARLY DAYS

How Paint creek, which flows through Fayette county on its way to the Scioto river, obtained its name has often been a source of mystery to many, and various reasons for the name have been assigned, one being that the colors of the sycamore trees along the stream gave rise to the name because the variegated trunks and branches appeared to have been painted.

The probable reason is that the stream got its name because of deposits of red clay or soft red stone along it, used by the Indians as war paint. This latter origin finds support in a very interesting history of Scioto county by Henry T. Bannon, of Portsmouth, recently issued.

In that Mr. Bannon, in writing of the Scioto river, refers to a work by an Englishman, Hon. Thomas Pownall P.M. called "Topographical Description of the Middle British Colonies in North America." Pownall lived in this country for several years as governor of the Massachusetts colony. His book was written after his return to England and he had access to all the reports and maps bearing on the subject.

In it, writing of the Scioto, he says, in part, "This River, besides vast extents of good land, 'is furnished with salt on an Eastern Branch, and Red Bole on Necunsa Skeintat.' His volume contained a map of the region, made in 1855, and improved by Pownall in the light of later discoveries and explorations. From the map it is learned that "Necunsa Skeintat" is the tributary of the Scioto known as Paint creek.

"Red Bole," or bole, is "any of several varieties of friable earthy clay, usually colored more or less strongly red by oxide of iron. It is used to color or adulterate various substances."

In the old days, before the discovery of coal-tar dyes natural substances were used, and the pioneers, especially, were dependent on what they could find ready to hand in nature, such as various barks, leaves, wood, etc. It was natural therefore, that the discovery of a dyeing substance on a stream should be recorded as a matter of importance, hence the presence of "red bole" on "Paint" creek was noted as one of the advantages of the new region. It seems

probable that the name of the stream came from these deposits of red earth which might be used in industry as a coloring substance.

The name of the stream as given by Pownall, "Necunsa Skeintat" differs from its other Indian name "Olemon-seep" or "Seepi," but as the various tribes each had its own name for places it was nothing unusual for a stream to be known by several aboriginal names.

### PEAS EXTRA QUALITY BUT DIRECTOR LOOKS FOR BERRY SHORTAGE

A. M. Wadsworth, State Director of inspection for the National Canners' Association states that the pack of peas this year under his inspection is the best ever produced in the state.

While the crop is not quite as large as some on record yet the quality is the best ever and not ten percent as many peas have been refused by his corps of inspectors this year as last. The total amount canned in Ohio this year will reach 300,000 cases as compared to 329,000 cases in 1919.

Because of the fact that a great percent of the berry crop is being sought by the great soft drink and beverage concerns Ohio canners predict a shortage of berries for canning.

It is learned also that there will be a shortage of string beans at the close of the canning season because so many farmers are hauling their beans to market for the ten or twelve cents per pound they receive. The price paid by the canneries is hardly half that amount, with the strings and stems left on the product.

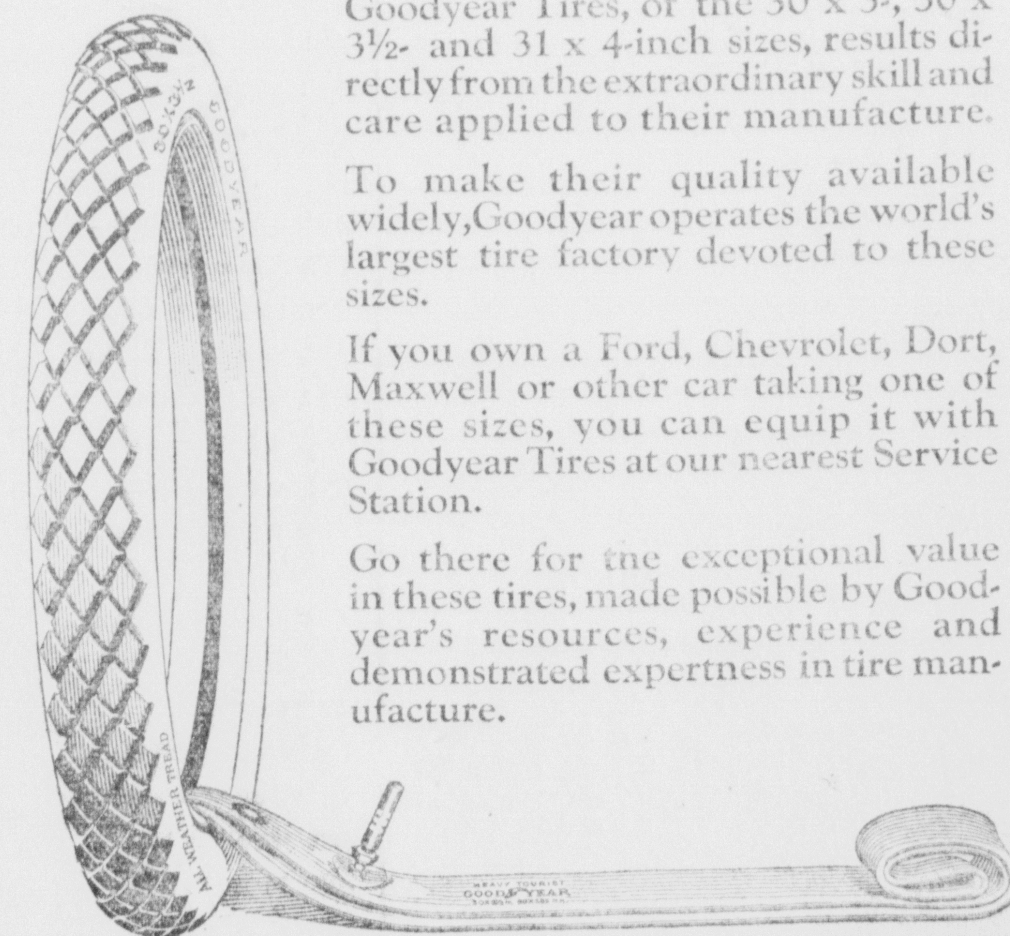

### COLUMBUS WORKS TO GET OFFENDERS

As a result of a contract made by the county commissioners with the Columbus workhouse officials, the Columbus works will claim offenders from this city and county in the future and the reputation of the above workhouse is that prisoners are kept busy and that the conditions are not so good as at the Xenia works.

The cost for keeping a prisoner at the Columbus institution will be 60 cents per day, or a lower rate than that charge by the Xenia works.

## "NOTHING BUT TRUTH" MAKES A GENUINE HIT

Nearly 2,000 People Throng Chautauqua Tent And Enjoy Evening of Merriment.

Another Exceptional Offering Wednesday Night And Chautauqua Ends Thursday.

Probably never before in the history of local Chautauqua has a single attraction created the interest and drew the attendance that filled the Chautauqua grounds as Tuesday "Nothing But The Truth," a high class comedy presented by the Percival Vivian players.

The great Chautauqua tent was entirely filled long before the curtain arose and every extra accommodation provided for the crowd which had been expected by the management was taken up. The audience was not entirely composed of Washington Court House and Fayette county people but many persons had motored in from surrounding towns for this special attraction.

Nine successful New York players made up the cast which had been selected especially for the roles they were to play by Percival Vivian, under whose direction the production has been made available for Chautauqua audiences and who appeared here personally last year in "Seven Keys to Belpate." While Mr. Vivian was not included in the cast this year his part was assigned to George Hare,

who from now on will be remembered by his audience in the same moment with Mr. Vivian.

The play hinged upon the part of Bob Bennet, a young man of Wall Street who was conscientious and who placed a wager of ten thousand dollars with his partner and two business associates that he could tell the truth and nothing but the truth for twenty-four hours.

His sweetheart, who happened to be the daughter of his partner the man with whom the wager had been laid, had entrusted Bennet with ten one thousand dollar bills with the instruction to double it in the least possible amount of time. The ten thousand dollars was charity money and in a moment of liberality the father had promised to double any amount which he or "the Bishop" could raise by a certain time—thus reason for entrusting the money to her sweetheart.

The consequences of Bennet's herculean task in attempting to carry out the wager literally, produced a great number of tremendously funny situations which led from one to another in endless succession and which were cause of loss of friendship, business associates and social standing to the determined young man. He retained the love of his sweetheart until the last moment and as the clock was striking the hour and proclaiming him winner of the ten thousand dollars, she doubted him.

but with his duty to tell the truth now a forgotten obligation things soon asserted themselves and the curtain descended upon a reunited happy group of New Yorkers.

The three acts of farcical comedy, was built around E. M. Ralston, a stockbroker, played by Alex Quin, in which Robert Bennet, played by George Hare, soon took the leading part, and in which they were splendidly supported by the family of Mr. Ralston, the clerks, Mabel, the vaudeville artist. One of the popular assisting characters of the play was the Bishop Doran, the part taken by Ralph Bradley.

Two separate programs furnish the two entertainments Wednesday afternoon and Wednesday evening. The prelude to the afternoon lecture was given by Geraldine Edgar, violinist, and Robert McDonald, pianist the two assisting artists of Miss Jessie Isabel Christian Prima Donna Soprano, who was to give the evening entertainment.

"Do the Dead Speak" furnished material for an intensely interesting lecture in the afternoon by Dr. George R. Wells, head of the department of Psychology, Ohio Wesleyan University.

## JAP FACTORIES CLOSING DOWN

(By Associated Press)

Tokio, (By Mail).—The closing down of Japanese factories on account of the existing depression in business has especially affected the hat, shirt and umbrella makers of Tokio. Five thousand workmen are idle and facing want.

In the Osaka district over 200 factories have been shut. The match industry has been seriously affected, thousands being thrown out of employment.

## NEED MORE ROOM IN OHIO'S PEN

More room in the Ohio penitentiary is urgently needed. In fact at the present time the population of the institution is greater than ever before and that the population will continue to grow seems assured.

The number of small crimes have decreased with the going of booze, but war conditions, a desire to get rich quick and to take the other fellow's automobile have combined to make the penitentiary a very populous place. If it were not for the State Prison farm in Madison county and the fact that 100 prisoners are working in a state brick plant at Junction City, the penal institution on West Spring streets would be so crowded that it would not accommodate the big population.

## NEW WHEAT PRICE HIGHER THIS YEAR

Indications are that when the new wheat price is fixed later this week that it will be considerably higher than the opening price of about \$2.10 last year, and may be around \$2.50, although trading on market formally opens Thursday of this week and

prices will be fixed according to the trading prices.

The yield in Fayette county is expected to stand somewhere between 60 and 65 percent of a normal crop.

## Foley's Honey and Tar COMPOUND

IT IS JUST WHAT CHILDREN ought to have for feverish colds, coughs, "snuffles," and that tight, wheezing breathing. It stops croup, too. It eases and checks whooping cough, measles cough and bronchial coughs.

## Every User a Friend

"My little girl had been having the croup every few nights, so I began giving her a few drops of Foley's Honey and Tar every two or three hours. That night she slept well, never coughed any, and next day her cold was gone."—Mrs. R. M. Ranley, Stanford, Ky.

"My three children had a very severe attack of whooping cough. The first few doses of Foley's Honey and Tar gave them great relief, and it did them good."—Mrs. E. C. Hostler, Grand Island, Neb.

Foley's Honey and Tar has been used for more than thirty years in thousands of homes for relief from coughs, colds, spasmodic croup, tickling throat, hoarseness, whooping cough, bronchial coughs and the coughs that follow influenza or la grippe.

## Ford THE UNIVERSAL CAR

Out of the more than 3,000,000 Ford cars now in use, about sixty per cent have been sold to farmers. Probably no other one thing has brought to the farm so much of comfort and profit as has the Ford car. It has enlarged the social life, doubled the facilities for marketing, brought the town next door to the farm, multiplied for the farmer the pleasures of living, and by the same token the Ford Touring Car has brought just as much pleasure to the residents of the towns and cities, because it is an every day in the year utility, answering the demand of quick transportation at low expense. A family car without an equal in low cost of operation and maintenance. We solicit your order for one. We have the full line of Ford cars. ## FIND ASPHALT DEPOSITS IN NEARBY COUNTY

Small Bed of Asphaltic Limestone Found Six Miles From Hillsboro.

Company Formed Will Also Drill For Oil on Site of Asphaltic Deposits.

Hillsboro and Highland county are deeply interested in a movement on foot to tap gas or oil reservoirs in that county, and in the finding of a large deposit of asphaltic limestone which tests about one fourth asphalt, and which promises to afford an ideal road building material for that community.

The Hillsboro Dispatch, telling of the find, says:

"Last week the Clinton Oil and Gas Company of Columbus, purchased two acres of ground of Late Calloway in Union Township for the purpose of drilling for oil and gas. For seven years this company has had an option on several farms in Liberty and Union townships, adjoining that of Mr. Calloway, but many had despaired of the company ever sinking a test well, when these two acres were purchased for \$1500. This has raised the expectations of the land owners, knowing that no one is going to purchase two acres at such a fancy price unless they felt sure that there is to be some returns.

"This same company while prospecting for oil and gas two years ago employed a well driller who drilled a well about sixteen or eighteen feet in depth, and finding an asphalt formation they placed a charge of dynamite. After the explosion they gathered up the fragments of rock and took them to Columbus where they were subjected to a heat test, and seventy-five percent of the stone burned away. The remainder was examined at O. S. U. and was found to be asphalt rock of the very best quality, and is the only bed in Ohio, unless there also is another deposit near Sinking Spring, which some geologists have declared to be the case.

"Last week a road supply man was here, and Commissioner Croson showed him some of the rock which had been found on his farm. The gentleman was very much surprised and said that it appeared to him to be asphalt of as good a quality as is now found in Kentucky. He asked for a sample which was given him, and which he said he would show his firm. He was very much interested and seemed to doubt the statement that the rock was found within six miles of Hillsboro and at a depth of about sixteen feet. Mr. Croson offered to take him to the place where the rock was found, but the man by this time was convinced that this marvelous find was located at the place indicated.

"Even if gas and oil are not found these asphalt deposits will mean a source of wealth not only to the land owners but to the county as properties of this kind are taxable, the same as oil or coal land. It is to be hoped that this project will be carried through and the Business Men's Association should get in touch and see if they can in any way give their moral support to speed the work along."

## TOURISTS MUST OBEY ORDERS WHILE IN PARK

Yellowstone National Park, Wyo., July 14.—Unthinking tourists who deface the beautiful natural formations of Yellowstone National Park by writing their names and crude sentiments in geyser bowls and on hot springs terraces are meeting with quick discipline this year.

Under an effective system of registration, every tourist entering the park now is being checked in on his arrival and checked out on departure and his method of travel noted. If in his own automobile, the state number of the machine is recorded. With such information available, conversations like the following sometimes are heard over the park telephone system.

"Hello, hello. Is this the north entrance? All right. Chief Ranger's office speaking. John Q. Blank, traveling in an automobile with..... state license No. 12,345, wrote his name yesterday in the Old Faithful basin. Hold him when the car checks out."

And when the automobile arrives at the north gate, or any other of the park's four entrances. Mr. Blank, or Mrs. Blank or Miss Blank if they should offend, for women are not ex-

empt, is fetched back to headquarters and told politely that such vandalism will not be tolerated. If he—or she—is willing to remedy the damage by effacing the writing, the incident may be allowed to end there. Otherwise, the law takes its course before a United States Commissioner resident in the park. Heavy penalties are provided by statute for injuring the formations in any way.

In all justice to American tourists, however, Yellowstone officials say they have a minimum of difficulty in enforcing the regulations.

## THRESHERMEN FIX SCHEDULES

Threshermen of Fayette county in session at the Y. M. C. A. building in this city Monday evening set the prices which will be charged for threshing all grains.

By unanimous action the following prices were agreed upon: Wheat, twelve cents; barley, twelve cents; rye, fifteen cents; oats, eight cents; timothy, \$1.50.

By unanimous action also it was decided to charge two cents extra per bushel in instances where the thresherman furnishes his own fuel.

About seventy-five men were in

attendance at the meeting which was presided over by Chairman Harry Friend of Bloomingburg.

Officials of the Farm Bureau were present and took an active part in looking after the interests of the farmers.

## YOUNG GOTHERMAN UNDER INDICTMENT

The Highland county grand jury has indicted Russell Gotherman for murder in the first degree, the charge being that he murdered his father then robbed him of some \$18,000 in Liberty Bonds.

The murdered man, it will be recalled, was not found for three or four months, having been placed in bed and left there at his home while friends supposed that he was in Indiana on a visit.

## FIND SHORTAGES IN OLD REGIME

(By Associated Press)

Mexico City, (By Mail)—At intervals since the taking over the government by the de facto administration, the newspapers of the capital have published reports of "Panamas" discovered in the federal de-

partments. "Panama" is the charitable journalist's term for defalcation. Few of these "Panamas" attributed to Carranza officials run under seven figures.

Funds from the national railways are declared to have been used for propaganda, in support of the candidacy of Ygnacio Bonillas for the presidency. None of the papers, however, has mentioned who might have profited from the proceeds of the alleged frauds in retiring and burning depreciated paper currency. The "Panama," reported to have been discovered in the treasury department, is estimated to involve from 6,000,000 pesos, up, and to have resulted from an issue of revenue stamps in 1915.

Tires are often sold the same way politics are.

The last people to wake up to what they are getting are the people who pay the bills.

The bills are getting too big these days in both cases. And the man who is feeling it most with respect to tires is the man who owns a moderate-price car.

III

The idea that the small car owner doesn't need a good tire is rapidly going the way of all mistaken ideas.

He needs it more than anyone else. It's part of our job, as we view it, to see that he gets it.

Our tire service starts with good tires—U. S. Tires. All sizes made to a single standard of quality—none graded down to the price of the car they will go on.

U. S. perfected the first straight side automobile tire—the first pneumatic truck tire.

The U. S. guarantee is for the life of the tire, and not for a limited mileage.

IV

When we recommend and sell U. S. Tires we do so in the interest of greater tire economy. It is our experience that that is the best way to build up a sound and sizable business.

## A Dismal, Dull Life

The constant sufferer from chronic constipation, torpid liver and auto-intoxication lead a dull and dismal life because his bodily condition completely prevents his full appreciation and enjoyment of life's pleasures.

Such dullness and suffering is in most cases totally unnecessary. It can be remedied by proper attention to stomach, liver and bowels. Eat what agrees with you—let the rest alone—keep both liver and bowels in natural condition by taking one BLACKO Stomach and Liver Tablet at the first sign of trouble.

After you have secured natural action there is no necessity to weaken those organs by daily use of oils or purgatives. Simply take a BLACKO Tablet when needed. That's all.

From your druggist, or mailed direct, postpaid. 25 cts. box of 28, with complete directions.

## YACHT RACES OPEN THURSDAY OFF SANDY HOOK

First Contest in Seventeen Years Attracting International Attention.

Resolute and Shamrock Fourth The Contenders For America's Cup

New York, July 13.—The first race in 17 years for the America's cup will start Thursday off Sandy Hook, the contesting boats being the cup defender Resolute, and the challenger Sir Thomas S. Lipton's Shamrock IV. It may be interesting at this time both to yachtsmen and to a great many who are not acquainted with this form of sport to read a few facts in connection with this historic yachting trophy.

To begin with the America's Cup at first was not an international trophy. In fact it had no significance other than being a prize offered by the Royal Yacht Squadron for a race around the Isle of Wight, Eng., which was open to all nations. In August 1851, the schooner yacht America, owned by Commodore John L. Stevens and four other members of the New York Yacht Club, won this race and the cup became their property. Six years later, Commodore Stevens and his associates conveyed the prize to the New York Yacht Club in trust as a perpetual international trophy which has since become known as America's cup, taking its name from the schooner yacht which won it in the British waters.

The first race for the America's cup as an international prize, was held on August 8, 1870, over the regular course of the New York Yacht Club in New York's lower bay.

In all there have been twelve contests for the cup. In the second of which Mr. Ashbury challenged with the schooner Livonia and the New York Club agreed to defend the trophy with only one boat in the race. The 1871 contest was the best four out of seven races. Livonia won a single race owing to the steering gear of the defender Columbia breaking down. Only twice since that day, October 19, 1871, has a challenging yacht crossed the finish line ahead of the defending boat. On September 10, 1895, Valkyrie III, after following the defender finished one minute and 16 seconds ahead of the American boat and on October 4, 1901, Shamrock II finished two seconds ahead of Columbia but lost to the defender by virtue of conceding 42 seconds time allowance.

In the races of 1876, 1881, 1885, 1886, 1887 the contests were decided on the basis of the two best out of three races. From 1893 to the last race in 1903 the agreement was for the best three out of five races.

## REDS WOULD SPREAD BOLSHEVIK FIRE AMONG BRITISH

(By Associated Press)

London, (By Mail) — The Russian Soviet government, through Nikolai Lenin, seeks "to start the British nation off on that same career of revolutionary violence which has made Russia such a jolly place to live in" Winston Churchill, Minister of War, declared in an article published in the Evening News, answering a report by a British labor delegation which visited Russia and a letter directed to the British people by Lenin.

Should the soviet system be established in England the War Minister believes that not only would freedom of the press and freedom of thought be swept away but the English labor leaders themselves would "share the fate of Kerensky, the Mensheviks and social revolutionaries in Russia."

The War Minister charged Lenin with having ruined his own country and said it was natural he should wish to have all other nations reduced to the same level of misery, in order that his own carnage may be covered in the general chaos," wrote Mr. Churchill.

Russia was on the threshold of victory," "After all her struggles she was within reach of the goal. The

Germans sent in Lenin as poison gas is sent sealed in a cylinder and he robbed her of the victory she had all but won and which she might have shared with us.

## ZEMO STOPS ITCHING, BURNING ECZEMA

A CLEAN, ANTISEPTIC LIQUID

The very first application of clean, liquid ZEMO stops itching and burning skin. Eczema and most forms of itching and disfiguring skin troubles usually start to heal, and in a short time yield to this soothing, antiseptic wash.

If you have used many salves and greasy lotions, try one 35c trial size, or extra large bottle of ZEMO for \$1.00 and see the difference between a smear and a clean, efficient, economical treatment for your skin. ZEMO SOAP is healing and should be used with ZEMO in aggravated cases.
